Hi Nico, hope all is well!  
Are you still in the market to buy  
machines?  
I can sell 600 Antminers for same  
price as Bitmain, but I can give you  
payment terms to pay over 6  
months. Let me know if interested.

Nico, let me know what will work here.

11:30 AM ✓✓

joe i am pushing it internally but more that 280 per miner is imposible, we are receiving miners with profit share 65 35.... 280 with 3 allotments is the best i can get now..

12:52 PM

So I understand. 280 with 3 allotments.  
Meaning paying 1/3rd with pickup.  
And 2 more payments each 2 months apart. Correct?

1:07 PM ✓✓

yes

1:15 PM

Ok. Let me discuss on my end and revert. It's a big loss so a bit painful :(

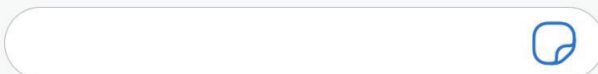

1:20 PM ✓✓

joe sorry for my non response, board is asking for 6 month allotment, if you give me the ok i send it internally and close it

5:47 PM

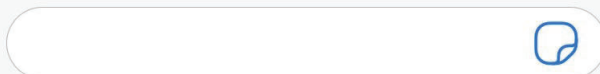

Hi Nico, it's too much. What I sent is what you proposed? It's spread out anyways.

What we can do is still keep the 3 payments. But make the 3rd payment instead of in 4 months we will make that in 6 months.

So 1st payment on pickup.

2nd payment , 60 days later

3rd payment , 6 months from closing
